59/22 To consider response to Community Governance Review having received correspondence from St Paul Malmesbury Without PC & Malmesbury TC

Cllr Suter stated that a 'forced union' between Milbourne & Lea & Cleverton would be unfavourable and this point had been clearly made by residents of Milbourne. Cllr Suter also noted that there appeared to be little in the way of shared amenities or community involvement between Lea & Cleverton & Milbourne and that it was more likely that Malmesbury had a closer connection/shared amenities.

Members of MTC requested that the Parish Council consider further investigation and consultation into the proposals and SPMW PC stated that Milbourne has no interest in changing its Parish Governance.

Following discussion, Members resolved that no further investigation will take place.

60/22 To consider Planning Applications received.

PL/2021/11697 – Windy Nook Cottage

Following discussion it was resolved that members **object** to the fencing that has been erected
