

# Signposting the future of our Community

**Do you have a view as to how our community area should change and develop in the future?**

**Do you feel you live in a special place that needs protecting?**

This is your opportunity to help us develop a plan to shape and guide how the Parish of Lea and Cleverton, which includes Garson and the surrounding countryside, will change and develop over the period to 2030. Change and growth is inevitable, however we have an opportunity, as a community, to shape the type and location of future development in our community area.

## How will we do this?

The Neighbourhood Plan Steering Group have been tasked by the Parish Council to prepare a Neighbourhood Plan.

More information on what a Neighbourhood Plan is and how it will be developed is included within our Leaflet "Neighbourhood Plan 2019 to 2030". Throughout the process information will be available at [www.pc.leavillage.uk](http://www.pc.leavillage.uk), through the parish newsletter or via our Facebook page @LeaParishPlan. You can discover more about Neighbourhood Planning from a number of sources, including:

**Department for Communities and Local Government**

**Wiltshire Council**

## What do you need do?

Please complete this survey by **4 March 2019** and encourage others in your household and your neighbours to do the same. It is also possible to complete this survey online at [www.pc.leavillage.uk](http://www.pc.leavillage.uk). If you need further copies of this survey, please download from [www.pc.leavillage.uk](http://www.pc.leavillage.uk), email [LeaParishPlan@gmail.com](mailto:LeaParishPlan@gmail.com) or collect from the School or Pub.

This survey is the first step in gaining an insight into current and future development opportunities for the Parish. We hope to be able to report the results of this exercise in the Spring.

If you are unsure about any of the questions, or would like to understand a little more about the process, then please join us for our Steering Group Meeting in Lea Village Hall on Tuesday 12 February at 7.30pm.

Thank you
