- (a) For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising;
- (c) For facilitating the passage on the road or any other road of any class of traffic (including pedestrians);
- (f) For preserving or improving the amenities of the area through which the road runs;

RTRA 1984 Sections 32 and 35

For the purpose of relieving or preventing congestion.

The Council has invested in a programme of extension to the Lea and Garsdon school in Lea. As part of the planning application it became apparent that there is a necessity to manage any overflow parking from the school traffic. The lengths and locations of the proposed waiting restrictions have been chosen to minimise on street parking while accommodating adjacent residential properties. The waiting restrictions are School time restrictions to also minimise the impact on local residents.
